SUBMISSION PLATFORM

1. Account creation and submission of the first contribution

- During your first submission, you will receive two emails
 - ✓ The first to confirm the creation of your account. It is recommended keep track of your user name, your password and the answer to the secret question.
 - ✓ The second to confirm the submitted contribution and its reference number.
- Correspondence relating to the contribution will be sent by default to the submitter.
- Before submitting the contribution, you will be asked to carefully check the preview of the text.
- Please kindly note that "*" indicates a mandatory field. The system will inform you if you have not fulfilled all mandatory fields to submit your contribution.
- You can still modify your submission until the deadline.

2. Submission of another contribution

- For submission of another contribution, you will not need to re-enter your details. At the end of the first submission, the system will offer to submit another contribution for the same forum or for another forum. You can also submit later by returning to your account. If the password is forgotten, you may request to send a reminder email.

3. List of authors

- By clicking the button "Add author" you can add co-authors in your contribution. The first author is automatically already entered but you can modify it.
- Please enter the full name in lower case (first letter capitalized).
- You can change the order of authors by using the arrows.
- In the final submission, the co-authors will receive by email a confirmation of the submission.

4. Your contribution

- Write or copy / paste your text inside the fields.
- Do not repeat the title of your contribution, the names of authors or headers of each field that will be automatically added to your contribution.

If you have successfully submitted your contribution, you will receive a confirmation number. If no confirmation number is received, the contribution has not been successfully submitted.

Submitted contributions can be re-edited and modified until the submission deadline (21 October 2019). Therefore, the author submitting the contribution will be invited to provide his/her e-mail address as login and a preferred password during the submission process. To save the contribution, all required fields (marked with a *) must be filled in. If you leave the system without having provisionally submitted the contribution, all data would be lost. Submitted contributions cannot be edited after the submission deadline, so please ensure that your contribution does not contain spelling, grammatical or other errors.

If you need to withdraw your contribution, a written statement explaining the reasons must be sent to: papers@owc2020.bio

E – AFTER THE SUBMISSION

1. The reviewers will assess the contribution according to:

- The relevance to OWC 2020; it has to address organic farming and one of the 9 themes of the Leadership Forum call.
- the language standards.

2. The submitting authors will be notified in **February 2020**, to the e-mail address (submitting author) provided during the submission process, whether their contribution has been accepted. It is the author's responsibility to ensure that emails from OWC 2020 can reach them.

3. For selected contributions, the presenting authors will have to register to the OWC2020 congress before the 19th of March 2020, in order to confirm their participation and to add the contribution in the conference programme.

NB. The Leadership Forum board will ensure that selected contributions represent all together a diversity in terms of regions, gender, ages and topics.

PUBLICATION POLICY

The summary of the selected contributions will be published in the final programme.

PRESENTATION OF SELECTED CONTRIBUTIONS

1. Selected contributions will be accepted for an oral presentation.
2. Full presentation guidelines will be included in the acceptance letter.
3. The presenting author accept to be recorded and the presentation will be made available on the congress website
