

Join a Workshop at the Organic World Congress (OWC) 2024!

The Organic World Congress (OWC) 2024, organized by Nanhua University and IFOAM – Organics International, is the leading global event for the organic sector. It brings together participants from around the world to exchange knowledge, share innovations, and advance organic farming practices.

Explore a diverse range of workshops designed to enhance your understanding of organic solutions and sustainable practices. Don't miss the chance to engage with experts and help shape the future of organic agriculture.

Workshop Title: TIPI Review of Ecological Organic Action Research Findings in the Developing World

Organizer:

Prof. Raymond Auerbach

President, TIPI (Technology and Innovation Platform of IFOAM)

Co-Organizer:

Dr Amber Sciligo

Join us for a deep dive into Ecological Organic Agriculture (EOA) research across the developing world! This workshop brings together top researchers and practitioners from Africa, Asia, and Latin America to showcase groundbreaking findings that are shaping the future of organic farming.

Why Attend?

- **Gain Insight** into cutting-edge research conducted across three continents.
- **Learn** how ecological organic practices are addressing real-world challenges in developing regions.
- **Contribute** to discussions on the development of National Organic Agriculture Movements (NOAMs) and evidence-based policy making.

What to Expect?

This workshop is split into two engaging sessions:

- **Session 1:** Review of Ecological Organic Agriculture (EOA) Research in the Developing World.
- **Session 2:** Discussion on development of NOAMs and Evidence-based Policy.

Main Topics:

- EOA Research in Africa, Asia, and Latin America (3 papers)
- Overview of Regional Developments (3 discussants)

Who Should Attend?

This workshop is designed for farmers, researchers, policy makers, and donors passionate about advancing sustainable agricultural practices in the developing world. It's a must-attend for those eager to connect with leading voices in organic farming.

Speakers and Moderators:

Learn from a diverse group of distinguished speakers and moderators:

Session 1:

- **Dr. Rosemary Mubezi** – Tanzania
- **Dr. Yassi Morales** – Costa Rica
- **TBD** – A distinguished speaker from Asia, to be announced.

Session 2:

- **Prof. Raymond Auerbach** – Africa
- **Dr. Gabi Soto** – Latin America
- **Dr. Tanveer Hossein** – Asia

Interactive Format:

- **Session One:** Research presentations by established experts.
- **Session Two:** Regional discussions, moderated by key experts from Africa, Latin America, and Asia.

Duration

- **Session One, 1.5 hours (90 minutes)**
- **Session Two, 1.5 hours (90 minutes)**

Language: English
