

Join a Workshop at the Organic World Congress (OWC) 2024!

The Organic World Congress (OWC) 2024, organized by Nanhua University and IFOAM – Organics International, is the leading global event for the organic sector. It brings together participants from around the world to exchange knowledge, share innovations, and advance organic farming practices.

Explore a diverse range of workshops designed to enhance your understanding of organic solutions and sustainable practices. Don't miss the chance to engage with experts and help shape the future of organic agriculture.

Workshop Title: Cluster Development and Participation Practices in the Organic Industry

Organizer:

Ya-wen Tang

Organic Agriculture Promotion Center, National Chung Hsing University, Taiwan (R.O.C)

Co-Organizer:

- IFOAM ASIA
- Te-Chun Chen, Assistant, Policy and Guarantee, IFOAM – Organics International, Germany

Join us for a comprehensive dive into Taiwan's organic industry cluster development! This workshop will bring together leading experts and stakeholders from Taiwan and abroad to explore case studies of organic villages and settlements, while discussing the policies, marketing strategies, and community engagements that are essential to the industry's growth.

Why Attend?

- Get insights into cluster development in Taiwan's organic industry.
- Explore case studies of unique organic villages and settlements.
- Participate in discussions on policy promotion and strategies for the Organic Agriculture Promotion Act.
- Contribute to conversations about community engagement, educational outreach, and local marketing strategies to promote organic settlements.

What to Expect?

The workshop will feature a blend of keynote presentations and interactive discussions. You'll learn about the challenges and potential solutions for developing Taiwan's organic agricultural industry, with insights into the roles played by community residents, youth, and local businesses in shaping the future of organic agriculture

Main Topics:

- Overview of Taiwan's Organic Agriculture Development
- Experience Sharing on Clustered Organic Development
- Promoting Cross-Sector Collaboration
- Policy Promotion and Implementation of Organic Agriculture

Who Should Attend?

This workshop is ideal for policymakers, government officials, researchers, community leaders, agricultural enterprise representatives, farmers, and local business representatives who are passionate about advancing organic agricultural practices and fostering industry collaboration.
