

Join a Workshop at the Organic World Congress (OWC) 2024!

The Organic World Congress (OWC) 2024, organized by Nanhua University and IFOAM – Organics International, is the leading global event for the organic sector. It brings together participants from around the world to exchange knowledge, share innovations, and advance organic farming practices.

Explore a diverse range of workshops designed to enhance your understanding of organic solutions and sustainable practices. Don't miss the chance to engage with experts and help shape the future of organic agriculture.

Workshop Title: One Health – the Collaboration of Education, Medicine and Agriculture

Organizer:

Biodynamic Association of Taiwan

Join us for a transformative workshop that explores the vital connections between education, medicine, and agriculture! This session will highlight collaborative examples that deepen our understanding of holistic health and stimulate cross-disciplinary conversations.

Why Attend?

- **Discover** how education, medicine, and agriculture intersect in promoting holistic welfare for humanity and the Earth.
- **Engage** with leading experts in the fields of education and organic agriculture.
- **Contribute** to discussions on sustainable practices that benefit both individual and community health.

What to Expect?

This workshop will feature three enlightening lectures followed by a panel discussion:

- **Lecture 1:** Ecological Care and Restoration of the Future
- **Lecture 2:** Agriculture and Medical Care & Eldercare
- **Lecture 3:** Association and the Collaboration of Education and Medicine

Main Topics:

- The delicate balance between individual needs and community health
- The role of organic agriculture in holistic education
- Innovative practices in medical care and eldercare related to agriculture

Who Should Attend?

This workshop is designed for individuals interested in deepening their understanding of the collaboration between education, medicine, and agriculture. Participants from around the world are welcome!
