

## Join a Workshop at the Organic World Congress (OWC) 2024!

The Organic World Congress (OWC) 2024, organized by Nanhua University and IFOAM – Organics International, is the leading global event for the organic sector. It brings together participants from around the world to exchange knowledge, share innovations, and advance organic farming practices.

Explore a diverse range of workshops designed to enhance your understanding of organic solutions and sustainable practices. Don't miss the chance to engage with experts and help shape the future of organic agriculture.

### Workshop Title: Make Organic Fertilizers, Plant Meds, and Soil Applications

#### Organizer:

Arindam Bandyopadhyay  
Empower Cause, India

Join us for a transformative workshop that will break the myths surrounding organic farming and introduce sustainable, cost-effective solutions to boost productivity and soil health. Learn DIY techniques for making organic fertilizers, plant medicines, and soil applications that are not only affordable but highly effective compared to chemical alternatives.

#### Why Attend?

- **Gain** practical, hands-on knowledge on creating DIY organic fertilizers and plant medicines.
- **Learn** how these organic methods can enhance soil health and crop productivity.
- **Understand** the economic benefits of organic farming and debunk myths around its cost and time efficiency.

#### What to Expect?

This workshop is split into two engaging sessions:

- **Session 1:** DIY Organic Solutions for Fertilizers, Plant Medicines, and Soil Health
- **Session 2:** Success Stories and Myths Debunking in Organic Farming.

## **Main Topics:**

- Soil Application DIY
- Advanced Plant Fertilizers DIY
- Advanced Plant Medicines DIY
- Success Stories from organic farms)

## **Who Should Attend?**

This workshop is designed for agro-entrepreneurs, agronomists, and farmers interested in advancing sustainable agricultural practices.

## **Speakers and Moderators:**

*Learn from a diverse group of distinguished speakers and moderators to be announced soon!*

## **Interactive Format:**

- **Session One:** Presentations on DIY processes for creating homemade organic solutions.
- **Session Two:** Hands-on demonstrations and Q&A sessions for deeper understanding and practical application.

## **Duration**

- **One Session: 1.5 hours (90 minutes)**

**Language:** English
