

## Join a Workshop at the Organic World Congress (OWC) 2024!

The Organic World Congress (OWC) 2024, organized by Nanhua University and IFOAM – Organics International, is the leading global event for the organic sector. It brings together participants from around the world to exchange knowledge, share innovations, and advance organic farming practices.

Explore a diverse range of workshops designed to enhance your understanding of organic solutions and sustainable practices. Don't miss the chance to engage with experts and help shape the future of organic agriculture.

### Workshop Title: The Role and Importance of Biodiversity in Organic Agriculture

#### Organizer:

CHEN, JIE-TING

Agricultural Technology Research Institute, Taiwan

Join us for an insightful workshop that highlights the critical role of biodiversity in organic agriculture. This event will focus on how organic farming practices contribute to ecological balance and the resilience of agricultural systems while promoting sustainable development.

#### Why Attend?

- **Understand** the impact of organic farming on biodiversity, including the prohibition of chemical fertilizers and pesticides.
- **Learn** about practices that enhance soil and water health, providing better habitats for diverse species.
- **Discover** techniques such as crop rotation, cover cropping, and intercropping that promote biodiversity and agricultural sustainability.

#### What to Expect?

This workshop includes engaging presentations focused on:

- The impact of organic farming on biodiversity.
- Techniques to improve soil health and enhance ecosystem stability.
- Strategies for scaling up organics and agroecology

#### Main Topics:

- Policy for scaling up organics and agroecology.
- Techniques to foster biodiversity in agricultural systems.
- The collective efforts required to promote sustainable agricultural practices.

### **Who Should Attend?**

This workshop is designed for the populace, agricultural organizations, policymakers, and anyone interested in sustainable agricultural practices.

### **Speakers and Moderators:**

Learn from a diverse group of distinguished speakers and moderators to be announced soon!

### **Duration**

- **One Session: 1.5 hours (90 minutes)**

**Language:** Mainly Chinese
